FOR ACCOMPANING PERSONS ON FIRST SEERC POWER CONFERENCE**

**DESCRIPTION OF THE TOUR**

Visit two of Slovenia's top attractions in one day from Portorož. The bus takes you from Grand Hotel Bernardin in Portorož to Postojna Cave, part of one of the Slovenian Karst region's many cave systems. Postojna Cave is Slovenia's most visited natural sight and the largest cave in the country. With a mini-train ride going deep into the famous cave tour the ethereal network of stalactites, stalagmites and caverns with a local guide. You will also discover how the cave is home to some 100 different animal species, including the blind salamanders, known as 'human fish,' that live in its underground rivers.

Then, continue to Predjama Castle, 123m perched on a cliff high above the beautiful Inner Carniola region. Here you can rest and enjoy the lunch served at the Castle's restaurant and then explore the chambers and stairwells and learn about the castle's most famous resident, Erazem of Predjama who lived here in the 15th century, and hear about the tunnel of Erazem, the secret passage used when the castle was besieged.
